Holy Tablet Chapter 7
Tama-Re, Egypt Of The West

INTRODUCTION

This Sacred Tablet Of Tama-Re Is An Emotional Gift. A Pouring Out Of The Soul And Spirit Of Neter: Aaferti Atum-Re, Inspired From The Old Book Of Light, But Raised To A Higher Level To Relate To The Stress That Earthlings Were Putting Him Through. So He Sat And Began To Call Out To The Ancient Ones For Their Spiritual Assistance, And Miraculously The Tables Began To Turn Things In His Favor. Therefore He Felt That This Little Tablet Would Be A Salvation For Those Spiritual Children, Who Are Part Of The Nuwaubian Family.

Each Of The Supplications Can Be Read At Any Time Or At Any Place, And Even Better Memorized And With The Nuwaubic Rhythmatically Recited Or Chanted In Tones To Heighten The Transfer Of The Power From The Ancient Ones. Sit Back And Put Yourself Inside These Words, Let Them Be A Part Of You, Let Them Be Your Emotions, And Let Them Be

Your Concerns. Sit With Your Family, Or With Your Friends And Read Together Out Loud. Hope That Your Children, Through Your Example, Will Also Seek To Memorize And Instill These Spiritual Requests In Their Hearts.

We Are In Our Time. The Spell Has Been Broken, And Right Knowledge, Through Sound Right Reasoning, Nuwaubu Has Come And Only It Has Been Able To Transform Us From A Lowly State To Children Of The Most High. Only It Has Linked Us With Out Real Selves And Given Us Back Our Identity And A Purpose. And Now That The Devil And His Host's Time Have Expired, Our Time As Nuwaubians, Tama-Reans, Have Come To Rule. First, We Learn To Rule Our Fears, Our Doubts, Our Insecurities, And Then We Learn To Rule Others Who Suffer From These Same Prejudices. This Is Our Time To Become What We Were Created To Be, Neter.

If You Said You Love The Guardians, Then Why Don't You Trust Them? And If You Said You Have Trust In Them, Then I Ask You, Why Don't You Surrender To Them? For It Is The Guardians, The Anunnaqi, Who Are Trustworthy. If You Said You Love Them, Why Don't You Strive Towards Them? And If You Said You Are Sensible, Then Why Don't You Tremble At The Mention Of The Guardians? Surely They Are The Etheric Parents Of Us All. Surely They Bred Me. Surely They Provided Everything For Me.
